To whom it may concern:

It is my great pleasure to write this letter of recommendation for Ms. Jessica Forgety. I have known Ms. Forgety as a student teacher at the University and found her work to be exceptional. She constantly creates environments and lessons for children that are engaging and motivating with technology and active participation. She consistently exceeds expectations for assignments by going above and beyond. I am impressed with her commitment to diverse learners and multicultural education. Ms. Forgety brings a wealth of life experiences to the classroom that would be an asset to any faculty. Her enthusiasm for teaching and her easy rapport with children are evident in both her lesson plans and interactions with children. She has a special talent for making each child feel valued and special. It is without hesitation that I recommend Ms. Jessica Forgety to you. Please feel free to contact me at kpennycuff@tntech.edu to discuss the outstanding qualities of Ms. Forgety further.

Sincerely,

A handwritten signature in cursive script that reads 'Dr. Kristen Pennycuff Trent'.
